**Re: TerreStar Networks, Inc.  
IB Docket Nos. 05-220 and 05-221  
Notification of Ex Parte Presentation**

Dear Ms. Dortch:

On September 30, 2005, Amy R. Mehlman, a consultant to TerreStar Networks Inc. ("TerreStar"), and Gerry Salemmme of ICO, spoke by telephone with Acting General Counsel Sam Feder to discuss the above-referenced proceedings.

During the conversation, Ms. Mehlman inquired about the timing of the Commission's actions in the above-captioned matters and urged that the Commission take prompt action on both matters, either separately or in one integrated order, with the final result being that TerreStar would have access to 2x10 MHz.

Please direct questions concerning this matter to the undersigned.

Sincerely,

Henry Goldberg  
*Attorney for TerreStar Networks Inc*
